# WHAT IS THE GARDEN & ART TOUR?

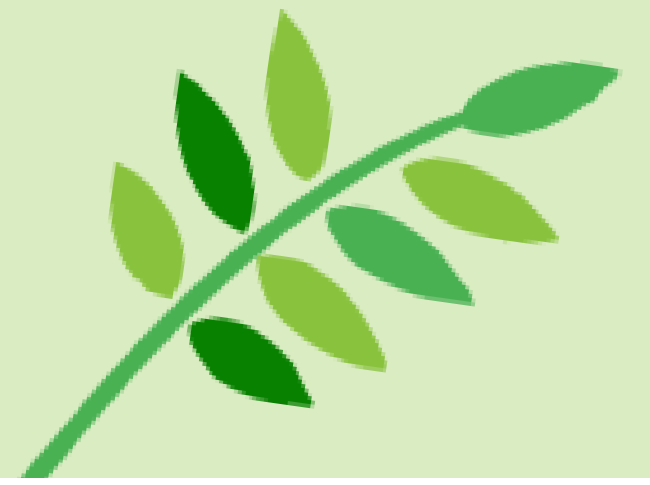

The Red River North Tourism Garden & Art Tour is a ticketed self-guided annual outdoor garden tour based in St. Andrews, St. Clements, and the City of Selkirk. On Sunday, July 21st from 10am-5pm, garden day-trippers will enjoy works of local artists, musicians, authors, and poets dotted amongst the flowers and trees of private yards and public gardens.

Musicians are placed within the garden, alongside the artists and authors. Some people choose to sit and listen to the music, while others appreciate it as background music.

This is a paid opportunity. The exact amount depends on grants and sponsorships that are yet to be confirmed. We will post an update as soon as we are able in the meantime, please don't hesitate to be in touch.

This is a rain or shine event.
